# NOVEMBER 2019 POTE'S NOTES

## Hello Noble and Ladies

October began with many of us who traveled to Las Vegas to participate as Marshalls at the annual PGA Shriner/FedEx golf tournament. I'd like to give a huge thank you to our High Priest and Prophet Noble Scott Shaw and his Lady Mary for all their hard work in the coordination of everyone that weekend. This was my first time participating and it was wonderful to meet so many of our patients and their families.

The following weekend was the Chief Rabban fundraiser, unfortunately I was unable to attend due to a work conflict, but Lady Andi was able to attend and told me as well as hearing from many others that it was a very successful event. Congratulations Seb!

October ends with a very busy weekend; the Halloween Dance on the 25th followed by the Ceremonial/Stated Meeting on the 26th and then closing the weekend with the 2nd Ceremonial Roast on the 27th.

On November 16th the annual Shrine Potato Bowl will be held in Bakersfield, I encourage everyone to come out and support the Kern County Shrine Club as each year they raise a lot of money to support our Medical Center. If you have any questions, please contact the office.

This year we are combining our annual Medical Center Toy Drive and Children's Holiday party which will be held at the World-Famous Shrine Auditorium on December 8th. If you have never attended this event, I encourage you to come as it's an amazing sight to see, 300 plus motorcycles all arriving simultaneously. We need "all hands on deck" and don't forget to bring your Lady.

On behalf of myself, my Lady Andi and our entire Shrine Family, we wish everyone a Happy Thanksgiving. As you sit down for your Thanksgiving dinner, please don't forget to give thanks for what you have and to those around the world that give of themselves so that we can live in this free nation. Also, don't forget to remember the children that need our help and those that we have helped.

***“SERVING UP HOPE, LOVE AND CARE TO HEAL OUR KIDS”***

**Fraternally,  
Bruce Ponoroff, Potentate**

# MEMBERSHIP MESSAGE

## *Greetings Nobles from Membership:*

*November is the time for preparation of celebration of thanks with family and friends. Thanksgiving Day, annual national holiday in the United States and Canada celebrating the harvest and other blessings of the past year.*

*America's Thanksgiving is modeled on a 1621 harvest feast shared by the 90 English colonists (Pilgrims) of Plymouth (as accounted by attendee Edward Winslow) and 53 of The Wampanoag people. So what have we as Shrine Masons harvested this year in regards to our Temple?*

*Membership says we all have a huge reason to be happy with this year. The amount of events keeps growing and your Feztivities Chairman Kerry Halgrims who is working hard to plan more events for 2020.*

*The Chairman of Ambassadors Jack Witz has been sending out email blasts notifying the Ambassadors of upcoming events. Many Active Ambassadors are now showing up at multiple lodges and passing out flyers or leaving the Al Malaikahan magazines on dinner tables and trying to reach out to all Masons to come to the Al Malaikah Shrine.*

*The Divan is planning more Temple events for 2020 that will be different, unusual and fun. All this is because of the terrific year we had in 2019. Paving the path for the upcoming year and giving thanks for the past. We are thankful for the happy and healthy year we have had and sad to see some of our brothers and sisters in ill heath or have passed on to the great architect.*

*As this new year gets closer to the end we look forward to spending more time with family and friends. We are asking you that this year you look at Al Malaikah as your home, the Nobility as your Brothers and Sisters and come out see the new things we are doing that will make you happy with the Shrine for the coming years.*

*DO NOT MISS the Christmas Party and Encino Shrine Club Toy Ride at the Temple. We are planning with the surrounding Community Relations Police Officers to also attend.*

*Come out, bring the kids and grandkids and enjoy lunch with your Brothers and Sisters, Santa, Costume SuperHero's , Clowns, Magicians and gifts for the kids.*

## FIRST LADY'S PROJECT 2019

### SHRINER'S FOR CHILDREN MEDICAL CENTER PASADENA

My project this year has been to purchase virtual reality headsets for use in the many treatments our patients require. These treatments range from cast removal to four-hour long transfusions. Due to discomfort, apprehension and fear, many of our patients require the use of opioids to relax and sedate them so their treatments can be performed. Unfortunately, the use of such drugs can lead to drug abuse and teenage males in particular are more likely to suffer from addiction to these drugs down the road.

The use of virtual reality technology allows the patient to visit a far-away land, play games or embark on adventure of their choosing. How, you ask? The headsets are powered by an iPhone type of device placed into a headset. The patient uses their eyes to select what they would like to do or play. The patient is focused on what they want to be doing and are distracted from the procedure being performed on them. This process eliminates the use of drugs, in most cases, allowing the patient to relax and be still during the process.

With the use of these devices, our medical center is now 92% opioid free. Each of these units have a purchase price of \$2,500.00. My goal was to purchase a total of 5 devices. Through many generous donations, we have been able to purchase 4 for the medical center and look to finish our commitment for the year with the final purchase of 1 more for a total of 5 units. We are short of our goal by \$500 and we need your help.

Won't you contribute today and make our medical center further drug free? Please make your check payable to **Shriner's for Children Medical Center Pasadena** and indicate Al Malaikah First Lady's Project in the memo Section. Checks should be mailed to Andi Ponoroff, 9926 Nita Avenue, Chatsworth, CA 91311.

Thank you so much for your support.

# *Shriners Guide to the Shriners for Children Medical Center in Pasadena, California*

## ***World-class specialty care***

Shriners for Children Medical Center Pasadena, previously known as Shriners Hospitals for Children Los Angeles, is a specialty medical center providing comprehensive medical, surgical and rehabilitative care specializing in Orthopedics, Burn Reconstruction, Cleft Lip and Palate, Orthotic and Prosthetic Services, Reconstructive and Laser Plastic Surgery for children up to age 18. Patients receive all services in a family-centered environment, regardless of the families' ability to pay.

In 2017 Shriners Hospitals for Children Los Angeles transitioned to Shriners for Children Medical Center Pasadena, where we operate as an ambulatory surgery center. Although we have moved, our mission is still dedicated to meeting the needs of as many patients and families as possible who can benefit from the specialized services we provide. While our facility operates on an outpatient basis to serve more patients, we still offer surgeries and procedures requiring an overnight admission, at Huntington Hospital in Pasadena and Children's Hospital of Los Angeles, California. Our Shriners for Children Medical Center physicians perform these procedures and provide all pre-surgical and follow-up care. Shriners for Children Medical Center Ambulatory Surgery Center is accredited by The Joint Commission and has continuously earned the Gold Seal of Approval for our commitment to providing the highest quality care to children.

Our family-centered approach to care is designed to support the entire family during all phases of a child's care.

## ***Our history***

Founded in 1952, we treat children from all over the country and around the world, and have unique relationships with top hospitals and universities. In 2017 Shriners Hospitals for Children Los Angeles moved to our new home in Pasadena.

- Provide the highest quality care to children with orthopedic conditions, burn scars, cleft lip and palate, and other special health care needs within a compassionate, family centered and collaborative environment
- Provide for the education of physicians and other health care professionals
- Conduct research to discover new knowledge that improves the quality of care and quality of life of children and families

This mission is carried out without regard to race, color, creed, sex or sect, disability, national origin, or ability of a patient or family to pay.

## ***Our vision***

Shriners for Children Medical Center will be the unquestioned leader, nationally and internationally, in caring for children and advancing the field in its specialty areas.

## ***Facility***

## Every Noble needs a Living Trust to protect himself, his loved ones and his hard-earned assets. Why?

### To Ensure:

- That when you pass away, your assets go to the people you want without expensive court interference and unnecessary legal fees
- Your spouse is properly cared for after your passing or during your disability
- Your children's inheritance is protected from divorcing spouses
- Your grandchildren are protected from those who would take advantage of their inheritance
- The people you choose are in charge of your financial and healthcare decisions if you become disabled
- Your charitable intentions, if any, are carried out

### Did you know:

If you die without a Living Trust or Estate Plan, the State of California has a plan for you, but you may not like it:

1. The court will decide who gets your assets.
2. Your family will likely wait 18—24 months before getting what they are legally entitled to.
3. The court, attorneys and others will get to keep about 5% of your gross assets for themselves—money that should go to your loved ones. (If you own an average California home, that translates to approximately \$25,000!)

\* Noble, if you have a Last Will and Testament, your family will still face problems 2 and 3!

If you want to subsidize the State and others, use the state's plan. If you love your family, use a better plan.

Planning takes only about 2 hours of your time and may be less expensive than you thought. It gives you peace of mind knowing that you've taken care of your family. We cater to the nobility of Al Malaikah, so consultations are always free for fellow nobles and we offer special rates to our masonic brethren only. We'll also review your old Will or Living Trust, free of charge. For Nobles who can no longer drive or are disabled, limited in-home appointments are available .

# Shrine Auditorium Al Malaikah Shriners Trail Of Fame

*Presidents, Astronauts, & Film Stars...* These are some of the Great Men that come to mind when we think of Shriners of Notoriety. However, many more great men not celebrated in popular culture daily walk that Trail, touching lives in every way, large... and small. They are the Fathers, Sons, Brothers, Husbands and Mentors that demonstrate by their deeds the best traditions of what it means to be a Noble of the Shrine. These Men have earned their place here, on the *Shriners Trail of Fame*.
