*Illustrious Sir Raffi Barsamian Potentate
Al Malaikah Shrine 2022*

Hello Nobles, Ladies, and Friends,

**WOW WHAT A FIRST QUARTER...
AND WE'VE ONLY JUST BEGUN**

- We started off February 3rd through the 5th with a trip to Las Vegas, 30 Nobles with some of our ladies attended the East-West Shrine Football game and the WSA (Western Shrine Association) conference. We had a great time and made a lot of new friends. Don't ask me what the score of the game was, too busy chatting with the neighbors who happened to be from Boston.
- We followed that up with a Ceremonial on February 12th which was held at the Pasadena Medical Center, it was a fantastic day and we were lucky enough to have twenty-four new Nobles along with their ladies to represent Al Malaikah Shrine. We also were fortunate to present a 50-year Certificate on the same day to a 96-year-old Noble Jay M. Elliot who happens to live right across the street from the Pasadena Medical Center, he is a member of Tebala Shrine in Illinois, it was transmitted via zoom to family and Shrine members of his hometown, truly a touching moment to watch his happiness and appreciation, thank you to all that were present to make that happen.
- The following weekend February 19th we were up in Lake Isabella in Kern County, the annual Whiskey Flats parade which is always a FUN weekend. It's one you need to

attend next year.

- February 26th was the All Unit POV, Marsha and I had an incredible time being amongst the Nobles from all the Units and their ladies, I can't say enough about the hard work these unit members put in for Al Malaikah. I want to thank you ALL for the great and memorable gifts that were showered on myself and my Lady.
- Now we're into the month of March, on the 5th we had an Open House with a Car Show, the first ever Harold Awards presented by the Show Business Shrine Club and named after our Past Potentate and Imperial Potentate Harold Lloyd, the ribbon cutting ceremony of the Daughter's of the Nile pavers on our Shriners Trail of Fame and their contribution in our museum of their history. One of the highlights of the day was Al Malaikah receiving a proclamation from the Senate and the City of Los Angeles, we were also presented with our plaque from the Hollywood Chamber of Commerce.
- March 12th we attended the LOS (Ladies of Shrine) Installation of Officers, always a fun event, we congratulate all of the newly installed

Officers and wish LOS continued great success.

- March 19th we were invited and had a great presence at the installation of Officers for Daughter's of the Nile, Mokattam Temple #12. Congratulations on your 100th Anniversary and continued success

I would like to thank ALL those Nobles and Ladies that volunteered their time, effort, and knowledge who participated in "Making a Difference Together" in the first three months of the year, you know who you are. There's much more to do as we continue, so I ask you to come out and join us in our ongoing effort in "Making a Difference Together", Let's break out and have some FUN!!

*Marsha Barsamian First Lady
Al Malaikah Shrine 2022*

It is true, time does fly when you are having fun. Raffi and I have been having lots of fun these past three months representing Al Malaikah Shriners. We have planned and attended many events, and it absolutely warms my heart to see how supportive and enthusiastic our Shriners and their Ladies are about the Shriners Children's. I have witnessed on many occasions how the Shriners strive to provide our children with hope and a better quality of life. I am a true believer in a better quality of life and alternative medicine. Therefore, I chose the Heart Program as my project. Healing Environment, Art, Resources & Therapies. This program brings together powerful restorative experiences and therapies to enhance the recovery process for our patients and their families. It provides healing of the mind, body, and spirit. I love that, and we can give that to our kids. We give hope and dreams to our children.

This program consists of four components; Healing Experiences, Healing Arts, Healing Resources, and Healing Therapies but I'd like to focus on two of them, Healing Arts and Healing Resources.

One of the goals for the Shriners Children's is to be able to have an onsite full-time Music Therapist available for our patients. Not only does the child benefit from this therapy session, but whoever is in the vicinity benefits. The child's family, all Medical Staff present. Next, is a Healing environment. A special room, possibly sound-proofing it, so our children can play, sing, dance, or write music with a professional therapist by their side. Guiding them through the proper techniques to eliminate or alleviate the pain and anxiety they experience. Hopefully, help cut back on medicine intake. This will also elevate hidden talents our Shrine Child may have. Like our Shrine child Kechi Okwuchi a plane crash survivor. Kechi had partially lost her vision and over 65% of her body was burnt. In 2007, Okwuchi moved to Texas with her family for treatment at Shriner's Hospital for Children in Galveston. She has undergone at least 100 surgeries since 2017. "Lying down in the hospital bed with bandages from head to foot, music was my escape, and that's why it means so much to me," said Kechi Okwuchi. She was able to tap into Music Therapy and ended up winning on America's Got Talent. You help her achieve a dream that she thought she would never have.

Yes, YOU help give these children hope and a better life!
With your help, we can achieve this goal.
Join me in "Making a Difference Together"
Children love this!!!!

Al Malaikah Shrine 2022*

Hello Nobles and Ladies,

I've been the Recorder for 3 months and the shrine office staff is still making improvements so we can serve you better. If you wish to contact the recorder the email address is (recorder@amshriners.com). We have also done this for membership@amshriners.com., administration@amshriners.com., shrineclubs@amshriners.com. and kevinb@amshriners.com. We hope this will make communicating easier with the different Office Staff Members. We have also added Noble Danny Fox to the office staff. His email address is (publicrelations@amshriners.com). He will handle the Magazine, the Weekly Blast, and the Al Malaikah Website at (amshriners.com). So if you have a POV, Parade or some other shrine event please contact Danny at (publicrelations@amshriners.com). Here is some good news about one of our office staff members. Ira Mazer had surgery on his back in late January and it went great. He is feeling good and starting to walk around and it looks like he will be back in the office in a couple of months. Everyone in the office miss-

es you Ira, even Sean. You are probably rolling your eyes. Here's a big WELCOME to all the new Shriners that joined Al Malaikah in the first ceremonial in 2022. You all should receive an Al Malaikahan Magazine in April. If you are a top-line signer for a new Shriner and he didn't receive the Al Malaikahan please contact Danny at his email address so we can make sure we have their correct address and email address. Here is something that we need to try and fix. There are Nobles that move or change their email address or phone numbers. If you are planning to change anything please contact me at recorder@amshriners.com so we can update your file. WE don't want you to miss anything Al Malaikah is doing. That's enough for one magazine. Hope to see you around,

Hope to see you all soon.
Ill. David Wehmeyer,
Recorder

Rev. 12/21

Nobles need a Living Trust to protect themselves, their loved ones and their hard-earned assets

Good planning means:

- When you pass away, your assets go to the people you want without expensive court interference and unnecessary legal fees
- Your spouse is properly cared for after your passing or during your disability
- Your children's inheritance is protected from divorcing spouses
- Your grandchildren are protected from those who would take advantage of their inheritance
- The people you choose are in charge of your financial and healthcare decisions if you become disabled
- Your charitable intentions, if any, are carried out

Bad planning means:

If you have over \$166,000 in assets and you die without a Living Trust or proper beneficiary designations, California has a plan for you, but you won't like it:

- If you don't have a Will, the Probate court will decide who gets your assets
- Even if you have a Will, the Probate Court must administer your estate
- Your family will likely wait 18—24 months before getting what they are legally entitled to
- The court, attorneys and others will get to keep about 5% - 7% of your gross assets for themselves—money that should go to your loved ones. **(An average California home, translates to approximately \$30,000 in unnecessary fees and expenses.)**
- If you have an old Living Trust, you may still land in Probate.

Remember: If you want to subsidize the State and others, use California's plan. If you love your family and want them to get everything you've worked hard for, use a better plan.

Watch our recorded Webinar to learn how to do the good planning you and your loved ones deserve. There's 3 ways to watch:

1. **Access at www.oakleylawgroup.com/ondemand**
2. **Send an email to outreach@oakleylawgroup.com with "Webinar" as the Subject**
3. **Call: (818) 937-2335 to request a Webinar link via email**

Nobles who watch the Webinar will receive a complimentary "Peace of Mind Planning Session" (value: \$600) and a 10% fraternal discount on their estate planning.

*Noble Scott Shaw Chief Rabban
Al Malaikah Shrine 2022*

Dear Nobles, Ladies, and Friends.

Greetings from your newly elected 2022 Chief Rabban Scott Shaw! To make our Shrine Center more user-friendly and appealing to all. Our Potentate and board of directors have given the green light to start a new program in 2022. In years past, we had a Shrine fraternity program called the \$ One Hundred Million Dollar club that Supports our Shriners medical system. Many of our long-time members and ladies will remember For a \$100 dollar donation or more, each doner got a special certificate with their name on it. Supporting the \$100,000,000 Club for the hospitals. Plus, they got their name in the Al Malaikahan Magazine every issue for a full calendar year. Just in time for Spring we are starting a new program this year called the \$100K Klub! Very Similar to the \$ Hundred Million Dollar Club, but with a small difference. The \$100K Klub will be enrolling all Nobles, ladies, sweethearts, and enthusiasts who love our Shrine Center and are willing to help support us with some much-needed updates to our 100-year-old building! For each

\$100 Donation or more to Al Malaikah Shrine; all doners will be enrolled in the 100K Klub. Each member shall be mailed or emailed a new certificate with their name on it suitable for framing. Each member of the 100K Klub shall have their name listed as a member of the 100K Klub for a full calendar year! Our goal is to raise \$10,000 this year with all proceeds to go specifically to the following areas of need. Office elevator Upstairs 2nd floor area to become our NEW NOBILITY LOUNGE with furniture, New Big Screen TV, and soda and snack Vending Machines to relax and hang out together! The lady's Restroom right by Stagecraft room is another area of update in need! Lastly, our Unit Dining room needs to be fluffed up as well. Recognizing this is a long list of updates that may take more than 1 calendar year to accomplish. As a man of action, I will get the \$100K Klub off and running with a personal pledge of \$200 from My wife Mary and myself. I challenge all Shrine Units and All Shrine Clubs to have some friendly competition to see which club or Unit can show the most support!

Fraternally,
Scott Shaw

OPEN HOUSE 2022

MEMBERSHIP MESSAGE

Hi Nobles and Lady's of Al Malaikah Shrine.

The first quarter was off to a roaring start at your Temple. We opened with a Ceremonial at The Medical Center in Pasadena with 24 New Nobles, family and friends. You should have seen the smiles !! Amazing effort from our Membership Team to set off the beginning with continental breakfast and Lunch for everyone Just picture all of us going on a tour through a legendary Medical Center for the Kids of the Shrine. It was a terrific effort from the Ritual Cast, Stage Craft, the Patrol, Divan and all sync together for the first of 4 Ceremonials in 2022

Special 50 year pin for a Noble from Illustrious Sir Raffi Barsamian Then Lake side in Kernville , Lake Isabella was an award winning BBQ and your favorite beverage sponsored by our Potentate. That one will go down in the history books. My Noble Brothers don't miss the next one in Santa Maria.

*Noble Barry Balonick Membership Chairman
Al Malaikah Shrine 2022*

As membership says participate today we are making history now everyday. No Membership article would be complete unless we talked about Al Malaikah Open House!

I do not think there has ever been participation at your Temple like this one. 50 film submits from 5 States and 4 Foreign countries. And thats just the first year !!!! Car Show followed by Film Awards from Show Business Shrine Club. The awards are called the Harold Awards, named after our Past Potentate and Past Imperial Potentate Harold Lloyd. Again our Potentate Illustrious Sir Raffi Barsamian made sure all of us had lunch available. But with over 300 people there to watch who knew we might run out of food. My solution to that is get there early and hang out late with your Lady and Noble Brothers.

Saving the BEST for last for the first time in years ...Al Malaikah presents the long awaited place to meet.

****** THE NOBILITY LOUNGE IS OPEN ******

Just for us and soon we will be having movie night and other get togethers on the second floor of the Temple. This is for Membership , Family and Friends. Keep reading the weekly emails from our Potentate and special announcements for more information.

Fraternally,
Noble Barry Balonick
Membership Chairman and the entire Membership Team

A NEW NAME

STILL THE SAME GREAT MEDICAL CARE

You may have noticed that the Pasadena Medical Center is in the midst of a name change. The new name is Shriners Children's Southern California. This is consistent with the new branding campaign for all of the

Shriners system and emphasizes that we care for kids all over the Southern California area. Right now, in 2022 Shriners Children's is celebrating 100 years of providing pediatric specialty care, regardless of the families' ability to pay for services. The brand Shriners Children's reflects our position as an international health care system, helping children who need specialized care. Driven by compassion and concern, Shriners Children's remains committed and dedicated to changing the lives of children, sharing our wealth of compassion and expertise with children everywhere – by reaching and caring for more kids in more places. We are planning on having more clinics

throughout the Southern California area. While the name may be changing, one thing is for certain, our patients will continue to be served and receive our trademark compassionate, high-quality wrap-around care! Over the next several months you will see more and more of this change in our name to Shriners Children's Southern California, while the name is changing it is still the same wonderful Medical Center!!!

Presidents, Astronauts, & Film Stars... These are some of the Great Men that come to mind when we think of Shriners of Notoriety. However, many more great men not celebrated in popular culture daily walk that Trail, touching lives in every way, large... and small. They are the Fathers, Sons, Brothers, Husbands and Mentors that demonstrate by their deeds the best traditions of what it means to be a Noble of the Shrine. These Men have earned their place here, on the Shriners Trail of Fame.
