*Ill Sir Scott Shaw
Potentate Al Malaikah Shrine*

Imperial Sir, Illustrious Sirs, Nobles, and Ladies; friends and family all; On Behalf of my Lady Mary, we both want to celebrate with our Nobility and Ladies! February 28th, 2023, marked 135 years since Al Malaikah Shrine became Temple #43 back in 1888!

That is a lot of history to be proud of and we have started this Shrine Year with a bang. There was so much support at our Winter Ceremonial in January. We had over 80 Nobles and Ladies present to witness 11 new gentlemen join our ranks. Gratitude to Stagecraft and our Ritual Team for doing a wonderful job. Special thanks to Gary Phillips who now has taken the baton from IS Dave Chernik in playing the big role of Potentate in the cast. Well done.

The 98th East-West football game was well attended in Las Vegas. Thanks to all those who traveled and made the trip to watch as the West defeated the East team. Later that weekend, our Temple was well represented at WSA, Western Shrine Association, meetings with Imperial Sir Kenny Craven in attendance. Congratulations to IS Seb Badoyan being installed as WSA president for this year. IS Raffi Barsamian and Dario Gamboa III also were sworn in as Vice Presidents. We look forward to our next WSA

Association get-together soon.

Our 1st parade over Presidents, Day weekend, saw over 50 people from Al Malaikah travel to Lake Isabella and brave the chilly weather as we supported the Whisky Flats western weekend up there. It took a bit of coordinating, but it was a lot of fun. Thank you, Paul Galyean, for taking point on all the hotel Planning, etc. Special acknowledgment goes out to Noble Steve Harris who drove the Shrine van and trailer out for the parade but also got the trailer flat tire fixed and a new tire put on the trailer that Sunday! Thank you!

Saturday, March 4th, is our Annual Open House welcoming the Public, which begins at 9 am with coffee and donuts. There will be information tables from all the appendant Masonic bodies, Shrine Auditorium tours, plus our historical museum will be open to peruse as well. 10:30 will be the unveiling and rededication of our newly refurbished Walking Tall Statue shall take place. Big acknowledgments go out to Jesus "Gonzo" Gonzalez for his much-appreciated hard work and many hours restoring our beloved statue! We also have a guest speaker Joanne David from the

Shrine Medical Center to give a brief update on what is new and exciting going on in our Southern Cal location. New this year will be a Blood Drive from 11 – 3 pm to help give back to the community and get more public exposure for our Nobility and let people know what we do and who we are. Gratitude to all who plan on donating!

In the afternoon we will host our 2nd Annual Harold Short Film Festival and award show! Special thanks to Kevin Michaels for making sure the show will be a huge success.

Tickets are still available for \$99 per person for the Pote's Rocking good time Gala in Long Beach at the Grand on March 25th. There

will be free parking and hospitality before and after. “Share the Love, Heal Kids, Shriners Rock!” will be on full display to help celebrate all Al Malaikah Shrine Clubs, Shrine Units, and our Past Potentates. Come out and get dressed up; there will be a photographer and DJ to get you out on the dance floor. A special Shrine hotel rate is available next door at the Marriott Residence Inn. Special thanks to James and Colette Orr for chairing this event!

Our Fezivities director Kerry Halgrims has 32 seats available for the Freeway Baseball series on Tuesday, March 28th! We are traveling to Anaheim Stadium and will cheer on our Dodgers against the Angels just before the start of the regular season. Only \$32 each and will require a smartphone to download tickets from your email to your phone. Please call the office at 213-748-0173 and ask for Sean to reserve your tickets.

On April 2nd, we invite all Nobles and Ladies out to the Knotts Berry Farm Hotel for a chicken and eggs breakfast at The Downey and Los Nietos POV at 10 am. Always fun and Knotts Berry park tickets can be purchased in advance.

April 22nd, we have the First Lady’s Brunch at 10 am at the Indigo Hotel in Downtown L.A. while the Nobles will

be in attendance for our First Quarterly Meeting which has important legislation on the agenda. We are voting on raising membership dues from \$125 to \$120 plus per capita. We currently net after per capita expenses \$90 per due paying member! We are having a tough go of it with 1600 dues-paying members after we pay for the life membership. Your Fraternity is asking for a yes vote to change our bylaws to read as follows: Membership dues to be \$120 per year plus per capita which will bring it up to \$155 per year. With inflation and costs increasing everywhere, we are requesting a little bit more from each and every Noble of our beloved fraternity. As Potentate, I thank you in advance for reading this and hope you all can understand why it is necessary. It has been 9 years since we last raised dues! This will take place for your 2024 and beyond membership dues.

With Regards, Fraternally,

Scott Shaw, Potentate

Mary Shaw
First Lady Al Malaikah Shrine

My career has been 30+ years in the fashion industry. Either as a textile designer or colorist and later years in higher education for the industry. I love color and I love putting clothes together. Many in the fashion industry would say that “Clothes make the Person” and that it defines who you are. I would agree that it can possibly define you... it can be your ‘uniform’.

During the last month, I have had the opportunity to experience and learn more about the importance of the ‘uniforms’ of the Cleft Lip & Palate medical team at Shriners Children’s Southern California Medical Center. As a reminder, my First Lady’s Project this year is “Creating Brighter Smiles, Changing Lives and More...” by supporting the Cleft Lip & Palate department. I had the opportunity to shadow the doctors of the Cleft Lip & Palate and Plastic Surgery department on a Friday at the center. Friday is their clinic day, and it is very busy with patients. I was made to feel like one of the team. I shadowed Dr. Bill McGee, who is the head of Oral Surgery/ Cleft Palate & Lip for the Pasadena Center. He is a trailblazer in the medical field of

Cleft Palate & Lip. Cassie Rodriguez-Feo, physician assistant was my main contact and so incredibly kind. The medical teams wear scrubs and the doctors wear either scrubs or business casual with their white coats. Again, the uniforms of the angels at the clinic. Easy to identify those who are on the front line daily for our patients and are providing hope and cures for a better life. An unexpected group of angels were the interpreters at the medical center and on the telehealth zoom calls. Their uniforms were scrubs or street clothes. However, do not be fooled, they were an important part of making the families and patients for whom English is not their first language, feel comfortable and that someone is there to help. In the clinic, we met with patients and their parents or guardians to discuss ongoing care or upcoming surgeries. I was introduced to the patients, and I got to tell a little bit about being the wife of a Shriner and the Potentate, and my project. I explained that all monies from the project stay in Pasadena to support the Cleft Lip & Palate patients. The families and patients were lovely and so gracious and thankful for what we do. We also spent time in Telehealth zoom meetings with patients who are at a Shrine clinic in Mexico. The following Monday, I was allowed with the permission of the patient’s families and Dr. McGee to scrub in for two surgeries. They were the most AMAZING EXPERIENCES! They told me that I was the first First Lady to scrub in for surgery at the Pasadena Center. Before you can enter the surgical wing, you must put on the ‘uniform’. I changed out of my street clothes into the medical bunny suit of scrubs including a hat and booties. Dr. McGee and Dr. Rick Bushnell, Chief of Anesthesia, a Shriner with Al Malaikah, were both amazing at allowing me to get very close to see and to ask many questions. The first surgery was for a two-year-old girl who was having her lip cleft corrected. It was a very straightforward surgery. However, none of these surgeries are easy. The second surgery was for a 16-year-old girl who had had her lip & palate surgically corrected at another medical facility previously. The expander in her mouth to help with orthodontics had opened the palate. This was causing her issues with eating, possible infection, and any fluids she drank would come out her nose. Her’s was a two-step surgery. First, they would correct the palate. Secondly, they were going to make some corrections on her nose. Cleft lip patients can have one side of their nose be flatter, because of the weight of the cleft lip and pulling of the area below the nose. Dr. McGee first fixed and corrected a deviated septum, then corrected the flatter side of her nose with cartilage that was removed from the deviated septum. While this patient was perfect before the surgery, she would be so happy with the perfectly shaped nose they created for her. I had only positive takeaways after my two days of shadowing in the Cleft Lip & Palate department. One is that possibly every staff member I met, wanted to share with me that they thought the Shriners Childrens Southern

California Medical Center was the BEST place they had ever worked. Hands Down. Two, the staff are caring and dedicated to the cause of good health and well-being for our patients and their families. I’d like to think after my days in clinic and surgery, that scrubs are the uniforms of angels. The individuals who grace those rooms are angels on earth for our patients. They are making the lives of so many children better with each medical exam and surgery. We do the charity work we do because we all have a kind heart and care, but it is a totally different perspective experiencing it first-hand. Steve Harris
High Priest and Prophet

Hello Nobles, Ladies, Widows, and Families,

Only the Mason himself knows in his heart what truly brought him to the Fraternity and the Shrine. For me, it was not the fact that both my Father and my Grandfather were Masons and Nobles in Al Malaikah Shrine. I joined the fraternity back in 1982, when I was stationed in Kaiserslautern, Germany. I had a Sergeant, who worked for me, that I thought was a man of high integrity and he wore a Masonic ring. I started asking about it and he invited me to the English-speaking lodge in town. I did have the pleasure of seeing my Grandfather's eyes light up when I had returned from overseas and joined him, my Dad, one of my uncles, and another family member in his lodge one night. While I was in Germany, I also took the Scottish Rite degrees and crossed the hot sands; when Aahmes Temple was visiting the European Shrine Club in 1983. I can attest that for a young officer like I was back then, the sands were extremely hot! I share my story with you to show that the reasons may vary as to why people join, but that they all have one thing in common. It all starts with a curiosity about the Fraternity and someone who set a good example of what we are all about. Be an active Shriner and strive to be that person who sparks interest in others to inquire about who we are and what we do; so that they too will be interested in joining us in Masonry and the Shrine.

Fraternally,
Noble Steve Harris

First Lady Mary Shaw's Project

Creating Brighter Smiles, Changing Lives and More...

- In 2023, Mary Shaw is working with the Shriners Children's Southern California Pasadena Medical Center's Cleft & Lip Palate Department. *Through your donations to the First Ladies Project, the monies that are raised will help fund our new Cleft Palate Extended Stay Program. As you know, we are an outpatient facility, but the extended stay allows us to cover one overnight stay of care. Most of our families that come to us for Cleft Palate will be financially incapable to cover many of the costs. Additionally, we hope to also fund other needs of this amazing department such as starter patient packets that include things that are specialized to a cleft lip & palate patient.*

Cleft & Lip Palate are complex conditions, which not only affect the child's appearance and self-esteem, but also a child's ability to breathe, speak, hear, and eat properly.

A Few Facts about Cleft & Lip Palate

- What is Cleft Palate? It is a condition that occurs when there is a gap in the roof of the mouth. The tissues that form the roof of the mouth do not join.
- What is Cleft Lip? When the child is born with a gap in the upper lip. The skin, muscle and inner lining of the lip may be missing in the lip. It can extend all the way to the nose.
- Facial Clefts occur in nearly one in 600 births in the United States.
- Why do children get cleft lip & palate? Doctors & Researchers do not have complete answers to this question. It can be caused by environmental factors and/or genetics, however, many times a direct cause is never found.
- Correcting Cleft & Lip Palate is **NEVER** done in one surgery. Generally, most patients will have 8-9 surgeries through the age of 20 to correct all factors of their condition. Our patients will need unique dental and orthodontic care during different stages of the child's growth. In addition to possibly working with audiologist and ear, nose and throat surgeons in regard to hearing issues. Additionally, Speech Therapists and Psychologists are involved in the patient's total care.

Presidents, Astronauts, & Film Stars... These are some of the Great Men that come to mind when we think of Shriners of Notoriety. However, many more great men not celebrated in popular culture daily walk that Trail, touching lives in every way, large... and small. They are the Fathers, Sons, Brothers, Husbands and Mentors that demonstrate by their deeds the best traditions of what it means to be a Noble of the Shrine. These Men have earned their place here, on the Shriners Trail of Fame.
