MARCH UPDATES AND CELEBRATIONS

A MESSAGE FROM ILLUSTRIOUS SIR KALANI JENSEN

Dear Nobles and Ladies,

First and foremost, Natalie and I extend our heartfelt gratitude to each and every one of you for contributing to what has already been an outstanding year. The dedication and enthusiasm displayed by our noble community have truly set the tone for success.

Our journey this year has been marked by remarkable Potentate Official Visit (POVs) with numerous clubs, underscoring our commitment to two noble causes: Having Fun and Helping our Children. One standout moment was our recent ceremonial at the Pasadena Shriners Children Medical Center, where we joyously welcomed over a dozen new nobles as they traversed the hot sands. Welcome, Nobles - your presence enriches our fraternity immeasurably!

I am thrilled to share that our Gala exceeded all expectations, with reservations and attendance surpassing capacity. Once again, our Nobility demonstrated unwavering support, ensuring the event's resounding success. A special mention is owed to Illustrrious Sir Mike Metzlar P.P. and His Lady Blondie, my cherished Shrine Mom and Dad, who journeyed from Tennessee to offer their support to both me and our beloved shrine.

In addition to celebrating our achievements, we recently held a special election, and I'm delighted to announce Noble Bob Jinkens as our New Treasurer. Bob's proactive approach and dedication to our fraternity from day one have been truly commendable, and I have no doubt he will excel in this crucial role.

I extend my deepest gratitude to all Past Potentates for their steadfast support, and I commend the Units for their commitment. It's heartening to see the Host Unit back in action, and I encourage all Units to continue their exceptional work.

As we transition into the summer months, there are numerous opportunities for us to come together and further our noble causes. Please keep an eye out for our weekly email blasts, which will keep you informed about upcoming events and news for Al Malaikah.

While there are many events on the horizon, I want to highlight a few key ones: the Potentate's trip is fast approaching, and details can be found in the flyer enclosed with this magazine. Additionally, don't forget about upcoming All Unit POVs and the exciting Indy 500 trip.

In closing, I express my sincerest gratitude for your ongoing dedication and support. Together, we will continue to make a positive impact in our community and beyond.

Fraternally yours,

Illustrious Sir Kalani Jensen

First Lady's Commentary

Mini Therapy Horses has visited Shriners Children's Southern California since 2018, and it is our favorite outreach program! Our mini horse angels comfort patients bedside as they come out of anesthesia, laying their heads on the beds ready to be petted. They help children learn to balance with their new prosthetics in physical therapy sessions, and they help comfort families while their loved ones are in surgery. Our visits are always very impactful and full of healing and love.

Our mini horses not only provide a sense of peace and calm but also a sense of playfulness and magic. Science shows the efficacy of equine assisted therapy—it improves physical and mental health, lowers blood pressure, reduces stress, reduces anxiety, promotes conversation, improves self esteem and confidence, increases emotional stability and social connections and helps build trust and empathy—but we have to say our horses are also just a lot of fun. Imagine a small horse stepping into your hospital room and playing the keyboard!

It is a great honor for Mini Therapy Horses to work alongside physical therapists during rehab sessions at Shriners. The level of trust and love the staff has for our horses and our volunteers is so humbling and we are incredibly grateful for the opportunity to help these young patients on their road to recovery.

One of our most treasured moments at Shriners was being asked by the staff to help comfort a patient while he was being fitted for an orthopedic device for his hand. Typically, this procedure can be somewhat painful and, for some children, even traumatic. Knowing she had work to do, our sweet mini horse, Louise, snuggled right up to the patient. He placed his right hand on her mane as the staff began the fitting process on his left hand. During the procedure, the child stayed wholly focused on Louise, petting her soft coat and never once taking his eyes off of her. Before he knew it, the procedure was over and he was smiling and laughing. Louise's comforting presence and kind eyes were all the distraction necessary to get him through that challenge. Sometimes watching our mini girls work feels like watching a miracle happen. To view an example of our work with Shriners please check out the excellent interview with Fox 11 News on our website: <https://www.minitheraphorses.com/press>.

To ensure our work can continue, we need your help! Your tax-deductible donations to Mini Therapy Horses, a 501 (c)3 non-profit charity, directly help us forge meaningful connections with the patients, patients' families, and staff at Shriners Children's Southern California. It is people like you who make our work possible. Please donate at <https://www.minitheraphorses.com/donate2mth>.

Unlocking Opportunities: Collaborate with The Al Malaikahan

Dear Nobles of Al Malaikah,

We are excited to extend a special invitation to you to join us in two unique and impactful projects commissioned by our Potentate, Ill Kalani Jensen.

Project 1: Special Edition of Al Malaikahan Magazine

We are commemorating the 100th year of our beloved Temple with a special edition of the Al Malaikahan Magazine. This project is a journey through history, where we delve into our rich archives, exploring thousands of pages and photographs dating back to the 1920s. Our goal is to consolidate, curate, and highlight significant moments to provide our present, new, and future nobles with a deeper

understanding of Al Malaikah's storied past. This is an extraordinary opportunity for those who have a passion for history and a desire to contribute to our legacy. The committee for this project will meet twice a month, aiming to complete the special edition by October 2024.

Project 2: Six-Minute Promotional Video

The second project, also commissioned by Ill Kalani Jensen, involves the creation of a six-minute video. This project is designed to support our ambassadors in spreading the word about our Medical Centers, the life-changing work we do, and the joy and camaraderie experienced at the shrine. This is a more immediate endeavor, with a timeline of 60 days to completion. We are particularly interested in individuals with video production experience, but all interested nobles are encouraged to participate.

Join Us!

If you are ready to be a part of these exciting projects, or if you have any questions, please don't hesitate to reach out. Contact Danny Foxx at publicrelations@amshriners.com or call 917-539-2174.

We look forward to your participation and contribution in making these projects a success.

Al Malaikah Shrine: A New Beginning in Leadership

Dear Nobles,

Reflecting on our Spring Ceremonial held Saturday February 24th 2024, I am filled with immense gratitude and joy. Witnessing Master Masons embark on their journey to become Shriners is always a profound and uplifting experience. It's a testament to the strength and camaraderie of our community, and seeing the unwavering support from each one of you truly warms my heart.

Such events are vital in reinforcing our commitment and support towards our noble mission – aiding the children who look towards us for hope and healing. The success of our Spring Ceremonial was made possible by the collective effort of many, and it's important to acknowledge those who played a pivotal role.

I would like to extend my heartfelt thanks to the Pasadena Shriners Children Medical Center for their continuous
